Lesson Nine: Beach Fun!

Draw a line to match the pictures to the correct vocabulary words!

flip flops

sandcastle

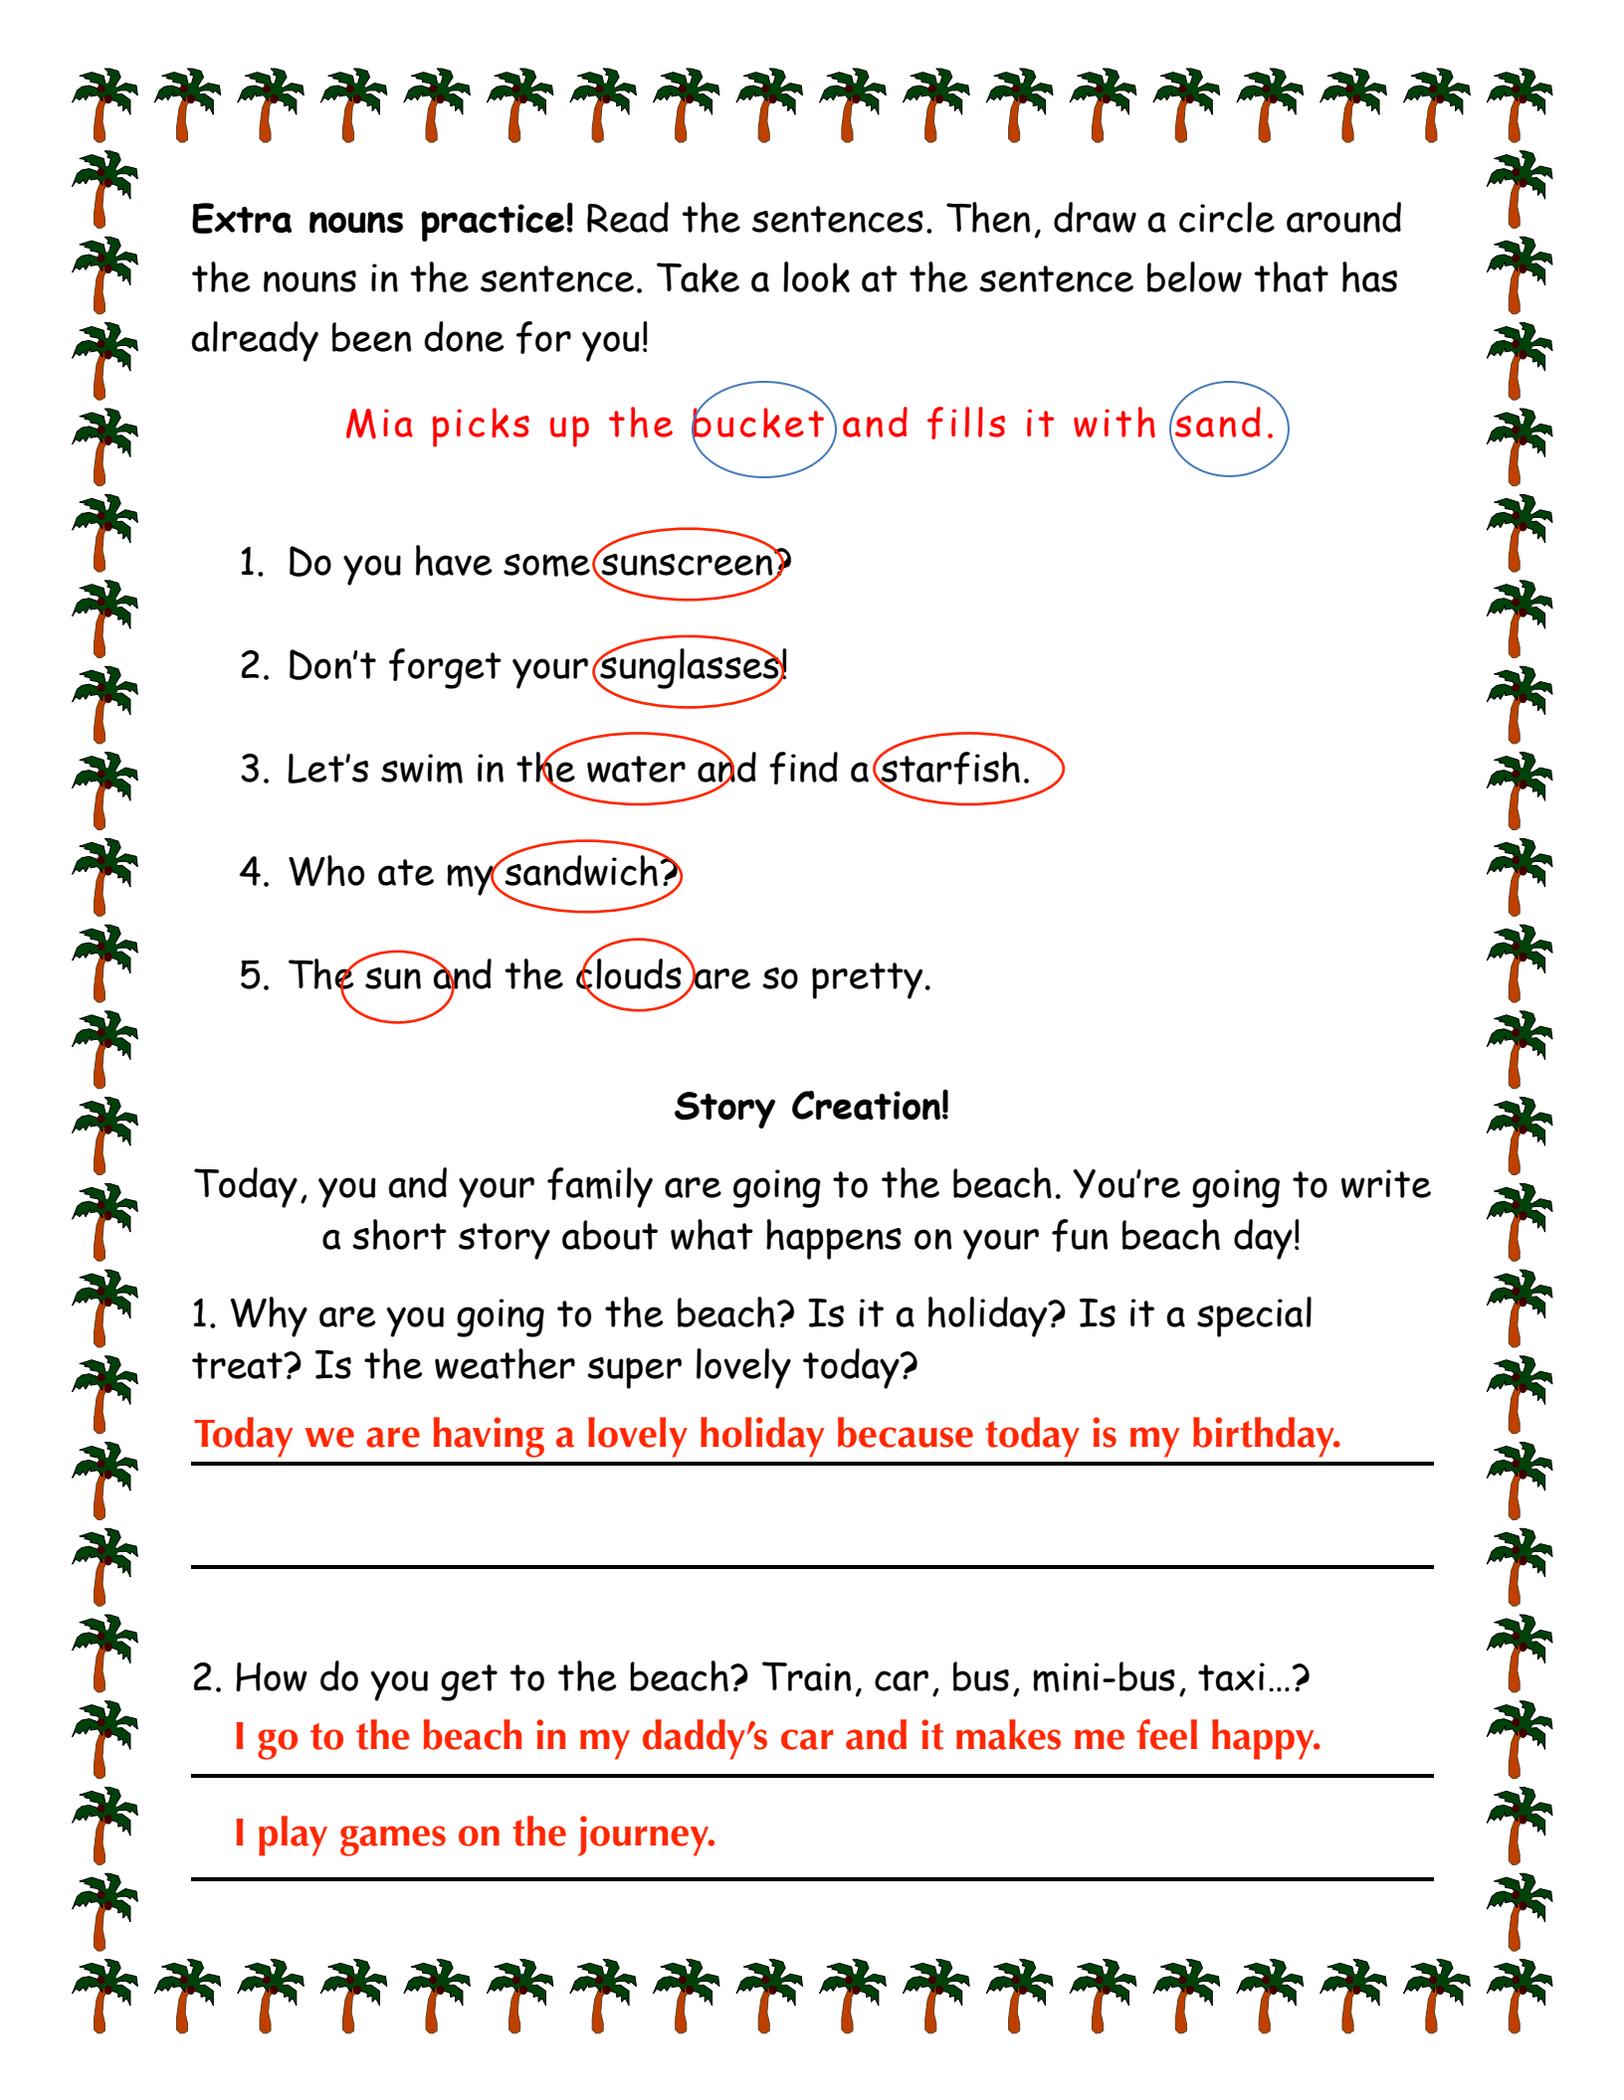

beach ball

swimsuit

All these words are **nouns**. They are **things** that we can **touch** and **hold**. There are lots of nouns all around you! Spot and name 5 nouns nearby.

Now, write short sentences using the nouns we learned about the beach. For sentence number 5, use another noun at the beach!

1. **I lost my flip flops at the beach.**
2. **I do not know how to build a sand castle.**
3. **We should not kick the beach ball into the water.**
4. **I cannot wear my swimsuit at the beach.**
5. **I will buy an ice cream to cool myself down.**

Extra nouns practice! Read the sentences. Then, draw a circle around the nouns in the sentence. Take a look at the sentence below that has already been done for you!
